

EXPANSION

Life Support Capital project - Updates (December 3, 2015)

ROAD CUT TO RUSKIN STREET & SERVICE TO NEW FIRE HYDRANT

When: December 8-9, 2015 (two days).

Items to note:

- Traffic will be one-way for the duration of the work. The contractor will be ensuring flagmen monitor and control the traffic flow, including pedestrian traffic.
- Road cut on Ruskin Street required to connect new fire hydrant to the existing water service.
